

According to the articles of NMTA, the members of association pay one time registration fee and a quarterly membership fee. The amounts and deadlines of these contributions are determined by the board and approved by the Members Assembly.

The board of the association is allowed to make a decision on full or partial waiving of the registration and membership fees on the basis of candidate's special efforts and contribution to the administration of the association or attainment of the goals.

In compliance with the board of the association decision (approved by the Members Assembly in 28/03/2014 protocol No. 1) the quarterly membership fee is 15 EUR (to be paid until the 15th day of every quarter) and the registration is free of charge.
